FUN FITNESS

Fitness in 2021 By Mira Sandquist

Hi, Fitness Fanatics! Today we are going to use fitness to exercise into 2021. You might be thinking, "What does she mean by exercise into 2021?" Well, just keep reading to find out!

To start, put on some gear that is all the same color (for example, headbands, bracelets, shoes, etc.). Grab a family member and have them do the same thing. Have your family member set a stopwatch and say "ready, set, go!" When they say go, do 20 jumping jacks and 21 pushups. When you are finished have your family member stop the stopwatch and write down your time. Then repeat, except you use the stopwatch. Whoever has the fastest time is the winner! If you won, congrats, you are officially faster than your sibling or parent! If not, demand a rematch!

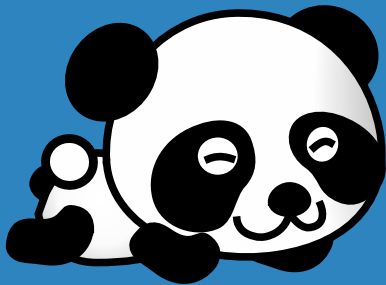

Today, Pandi,
Pandiwoo, and Ortho
will be helping you.

Pandi and Pandiwoo

Ortho

Time for a warmup...

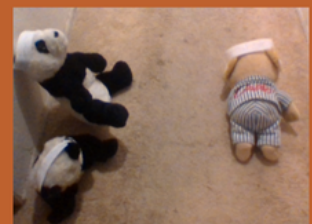

It's Pandi's turn! She finishes in 2 minutes and 4 seconds.

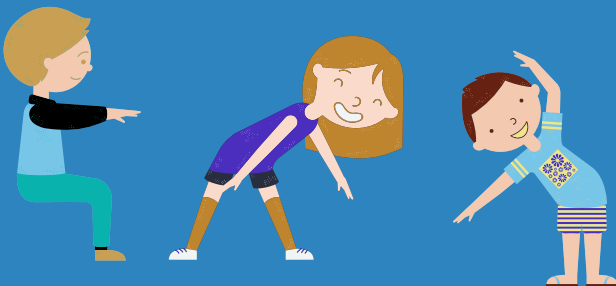

Pandiwoo and Ortho try to beat her
score...

Pandiwoo is young and fast, but she loses time because she doesn't know how to do the moves. She finishes in 3 minutes and 10 seconds.

Ortho is kind of old, and he is out of shape. Also, he just woke up. He finishes in 4 minutes and 30 seconds. Pandi is the winner!!

Follow Pandi's Instructions to Learn How to Set a Fitness Resolution!

It's a new year!!!

You guys!
Pant We should
teach these kids
how to make a
fitness resolution!

Great idea!
Let's get
started!

A resolution is a
promise to do
something
differently in the
new year.

Now, think of
how you can get
better at this, such
as practicing every
day.

First, think of
something that
you want to
achieve.

This might be a
little challenging. Try
to think of
something type of
fitness that you want
to get better at.

Then say, "I'm
going to do ____!"
(The blank is where
your resolution
goes.)

I'm going to
do 10
pushups
every day!

I'm going to
practice
cartwheels every
week!

I'm going to get
fit!

What's your
goal, Ortho?

Cool, Ortho!
That raps it up
for this article.
Catch ya next
time!

TEACHER TALK

WITH DYLAN SOPER

Today I will interview our Art Teacher,
Mrs. Barney!

New Year
New Me!

2021

When you're not teaching art, what do you like to do?

I enjoy taking walks and hikes with my family.

Who is your favorite artist and why?

I have two. Pablo Picasso because he changed his art over time and broke all the rules. I also like Frida Kahlo because she voiced her opinions through her art.

How did you celebrate the New Year?

A nice, quiet evening with my family at home.

Do you make New Year's resolutions?

I never make resolutions but I strive to be a better version of myself every year.

What kind of art do you enjoy seeing and creating?

There is not one kind of art I love more than others, but I like seeing illustrations and abstract art.

As for creating, I used to only make detailed pencil drawings but recently I've started making abstract paintings.

2021 is the year of the Ox. What is your Chinese Zodiac Animal?

The 🐉 and I think all of my family are Tigers.

What emoji describes 2021 so far?

The confused emoji 🤔

If you had one wish for 2021, what would it be?

Peace in our United States.
