FIRST GRADE EXHIBITION OF LEARNING

First grade students shared out their learning with pride today! They have been diligently researching and writing about their animal of choice for the past several weeks. After practicing with classmates, younger students and older students, they were finally ready for their "public exhibition of learning." Today, Mrs. Sibbet and Mrs. Puyear's classes presented to their parents. We're excited to learn from Ms. Trujillo and Cox's students on Monday.

CHINESE LANTERNS
